

Israel Aerospace Industries (IAI) has made a strategic decision to get involved in the Wind Energy market.

We are looking for:

Business Developer Expert for Wind Farms

1. Demonstrated past experience in developing wind farms: From identification of suitable sitting through obtaining permits overseeing wind farm.
2. Design, selection of wind turbine generator systems, and supervising construction till commissioning.
3. Capable of evaluating power curves, wind measurements and financial terms of wind farms.
4. Familiar with wind farms O&M requirements.
5. Knowledge in operation and interpretation of SCADA systems for wind farms.
