

**Israel Aerospace Industries (IAI) has made a strategic decision to get involved in the Wind Energy market.**

**We are looking for:**

**WT Blades Expert Engineer**

1. Diploma in Aeronautical or Mechanical Engineering
2. Over 5 years of experience designing and producing WT blades for one of the world's blades manufacturers.
3. Strong technical background with wide knowledge of:
  - a. Structural Design and Analysis
  - b. Design criteria of WT Blades
  - c. Blades loads calculations
  - d. Design and production details
  - e. Blades analysis tools and failure criteria
  - f. Blades Certification
4. Ability to be a team leader, to work as part of the team, both leading and as key member, influencing decisions, support and advise during the development and certification of the Blades.
5. Solving technical or engineering related issues with the Blades and its interface with the Wind Turbine
